## CALVARY COMMENTS

### Inclement Weather Information

For closing information, please check local stations Channel 5 (KXAS) and Channel 8 (WFAA). You will also receive an email when a decision is made to cancel school or delay opening due to weather.

### Skating and Fellowship

Would you be interested in a monthly get together at Lone Star Indoor Sports Center? We are trying to get a minimum of 20 students to commit to skating the 1st Friday of the month from 2-4 pm. Each skater would get in for \$5. This would be a great way for the students to have fun with their friends outside of class and provide parents a time for fellowship. Please email [Ashley Harrington](mailto:Ashley.Harrington@dentoncalvary.org) or call 940-781-6742 or email [Dena Gattis](mailto:Dena.Gattis@dentoncalvary.org) or call 214-529-8737 if interested.

### Martial Arts

Reding Martial Arts in Denton is offering an after school program for home school families. Children ages 5-12 can attend on Tuesdays and Thursdays from 4:15-5:00. Please call 940-891-6000 or email [www.redingmartialarts.com](http://www.redingmartialarts.com) for more information.

### DCA Mom's Connect Fellowship

Please come join us this Thursday, **January 26th from 8:30-10:00 am** in the Sumrall Center. Kerry Scheer will be a guest speaker on the topic "How to Handle Hard Days at a UM School." This will be a venue to connect, collaborate and commit to God's charge to educate our children academically and spiritually! Please invite a mother you think would consider this model of education for next year. It is an ideal way for new families to hear about Calvary and get to know other people before enrollment meetings this semester. Future meetings will be held on **February 23rd** and **April 26th** and we will have a variety of speakers and opportunities to bring a friend. We hope to see you there!

### City Sport Opportunity for Elem.

Denton Boys Baseball will be open for registration January 1st-February 5th. Please visit [www.dbbi.org](http://www.dbbi.org) for more information.
